About Us

Gamez on Wheelz was founded by Michael O'Keefe when he saw a need to bring affordable mobile entertainment to businesses, schools and homes of parents across Orange County. Experiencing firsthand the challenges a parent goes through from his own children's parties, he thought there had to be a better and easier way. Packing cars and kids up and

driving to alternate locations becomes both time consuming and unnecessary especially if there was a way to bring clean, professional, friendly and fun entertainment directly to parents, schools and businesses.

What started out in February 2010 with a goal to create the best Game Truck in the industry it has now grown to include multiple products consisting of game trucks, mobile outdoor laser tag, outdoor movies, karaoke rentals, photo booths, step and repeat banners, audio video equipment rentals, Luau Party Rentals, Park Gamez and more and more.

Maui Shave Ice was founded out of the need to compliment our other products with some kind of high quality mobile desert treat that both kids and parents would enjoy. Coming back from a recent Hawaiian vacation and visiting several Shave Ice businesses Michael knew that adding Shave Ice would be a natural fit to the Gamez on Wheelz product line and business model.

Gamez on Wheelz' Maui Shave Ice is the perfect compliment to any of our Gamez on Wheelz products or stand alone as a featured dessert! Maui Shave Ice offers a variety of great flavors, optional Hawaiian props and Hawaiian games to enhance any party or event. Each cup of Maui Shave Ice is stacked high with fluffy, white finely shave ice with mouth watering syrup flavors, using only 100% pure cane sugar from Hawaii. Our Shave Ice is so good you will want to bring us back for all your events and parties time and time again.

Whatever product you choose you can trust in our name, brand, product quality, impeccable safety record, and the fun and friendly service we provide. We strive to make every party or event a memorable one. Thank you for considering Gamez on Wheelz/Maui Shave Ice for your next party or event!

Michael O'Keefe
